

WATERPROOFING Training Night

Tuesday 23rd October 2018
4 to 6.30pm @ 155 Barkly Ave, Burnley

“Practical guide to choosing the right waterproofing product for jobs”

Many Building Inspectors and Builders are starting to question the compliance of waterproofing products as part of the full compliance checks on jobs. Additionally, there can be much hype about waterproofing products. The object of the training session is to stimulate discussion and provide some clarity to the ‘pros’ and ‘cons’ of different product types.

Format:

- Short presentation on compliance format, and characteristics of products for: Substrate Repair; Internal; External; and Below Ground waterproofing.
- Practical demonstration
- Drinks and discussion

Attendees will be given a show bag of information

WE CAN ONLY CATER UP TO 15 PEOPLE SO BOOKING IS ESSENTIAL. PHONE OR EMAIL DAVID OR MICHAEL ON 9429 3377 OR david@conpro.com.au
